

Visión y Compromiso's 15th Annual Conference

“Resiliency: Our Strength in Times of Change”

OCTOBER 5–7, 2017 • ONTARIO, CA

SPONSORSHIP INVITATION

Stand with Promotores to Create a Healthy Nation

We are pleased to invite you to sponsor our 15th Annual Promotores and Community Health Workers Conference, “Resiliency: Our Strength in Times of Change” in Ontario, California, on October 5–7, 2017. In 2016 1,000 promotores attended our conference. These leaders are deeply connected to their communities and have trusting relationships with 300,000 Latino families.

Sponsors of our conference receive:

- ▶ Access to 1,000 promotores who reach 300,000 Latino families each year
- ▶ Potential for print, TV and radio coverage in Spanish and English
- ▶ Opportunities to present in plenary and seminar sessions
- ▶ Pre-conference advertising to our e-mail list of over 5,000 promotores, employers and supporters

This conference promises to provide promotores and community health workers with opportunities to develop their leadership skills, engage in policy and advocacy activities, network, share best practices, and strengthen their capacity as critical resources to continue serving tens of thousands of individuals and families in the United States, Latin America, and beyond. Through plenaries and workshops, participants gain the skills, understanding, and common language they need to engage communities in civic participation, participate fully in policy discussions, provide effective services, and advocate for changes that can transform community health.

Visión y Compromiso is pleased to invite you to invest in our efforts by becoming a sponsor of this event. Your support will allow us to continue to register participants for this important conference at an affordable cost. Please call me if you have any questions. I look forward to hearing from you.

Sincerely,

Maria Lemus, Executive Director
