

¡CONFERENCIA VIRTUAL! • WE ARE GOING VIRTUAL!

“Promotoras transformando familias y comunidades en esta nueva era”
“Promotoras Transforming Families and Communities in This New Era”

Visión y Compromiso invites you to showcase your services, products, and resources to more than 1,000 participants who attend our national conference annually! This year we are going virtual and admission is free!

Make virtual contact with promotores comunitarios, community health workers (CHWs), community leaders, program directors, program managers, politicians, sponsors and many more professionals that join us every year from across the nation, including groups from Guatemala and Mexico.

Visión y Compromiso and its Network of Promotoras is committed to creating and sustaining a consumer-driven approach to promoting the overall health and wellbeing of their communities by supporting and integrating the effective Promotor Model into the workforce.

Promotores comunitarios, CHWs and community leaders serve as critical resources to the communities they serve. Attendees are influential from both rural and urban regions, mostly Spanish-speaking, and represent diverse disciplines from local to international organizations. Your services and resources will equip them with tools and information they will use to enhance daily work in their communities.

What does exhibit space at our virtual conference include?

- Your company’s virtual exhibit page includes your logo, video and downloadable materials to be shared with conference attendees.
- Your online exhibit space is available for one year after the conference.
