Sponsorship invitation

Stand with Promotores to Create a Healthy Nation

We are pleased to invite you to sponsor our 18th Annual Promotoras and Community Health Workers Conference, “Promotoras Transforming Families and Communities in This New Era” on October 1–3, 2020.

Sponsors of our conference receive:

- ▶ Access to thousands of promotores who reach exponential Latino families each year
- ▶ Media coverage in print, TV and radio in Spanish and English
- ▶ Pre-conference advertising to our e-mail list of over 10,000 promotores, employers, agencies and supporters

This conference promises to provide promotores, community leaders and community health workers with opportunities to develop their leadership skills, engage in policy and advocacy activities, network, share best practices, and strengthen their capacity as critical resources to continue serving tens of thousands of individuals and families in the United States, Latin America, and beyond. Through plenaries and workshops, participants gain the skills, understanding, and common language they need to engage communities in civic participation, participate fully in policy discussions, provide effective services, advocate for changes that can transform community health and continue to expand their Network as an important resource of training, leadership and advocacy.

Visión y Compromiso is pleased to invite you to invest in this virtual event by becoming a sponsor. Your support will allow us to continue to register participants for this important conference at no cost to them.

Please contact me if you have any questions. I look forward to hearing from you.

Sincerely,

Maria Lemus
